Best Practice –I Title: Improve your English

Objectives of the practice:

- To encourage students to improve their English.
- To encourage students to enrich their vocabulary.
- To help the students to improve their spelling.

Context: The college is located in drought prone rural area.100% students of the college are from rural and agricultural background. As a result their English is weak. The college takes special efforts to improve their English. Vocabulary is a Major problem of the students. To overcome this problem the said practice is followed.

Practice: The College displays five new English words on the notice board every day. The students, as they enter into the premises, see the new words written on the notice board and read them and learn new words every day. This habit of learning new words helps to improve their vocabulary and spellings. It helps to improve their English.

Evidence of Success: It is observed that students are becoming more confident about their English. Their overall performance in subject is improved. The examination result indicates that the practice helped the students a lot.

Problems Encountered and Resource Requirement: The Practice is carried out by department of English. When the faculty is busy/on leave, they fail to display the words. The resources required are very limited.

Best Practices II

Title of the Practice:

Cleanliness Drive In College Campus

Objectives of the Practice

It could be due to lack of knowledge or due to sheer laziness or due to irresponsibility our surrounding remains unclean. Thus Cleanliness Drives is the process which makes people aware of the importance and methods of handling waste responsibly and tries to take a step towards a cleaner environment. Therefore, now we have to maintain this balance by following the given points:-

- To arrange dustbin with Blue and Green-color for Recycled and Unrecyclable waste respectively in view of making students aware about classification of wastes.
- To plant trees in and around school premises and encourage students for tree plantation. Reuse of waste material.
- Initiatives to curb green house effect. Weeding out/recording of the old files, records as per procedure.
- All kinds of waste material like broken furniture, unusable equipment, defunct vehicles etc. should be completely removed from the premises of institutions.
- To pick up non-biodegradable plastic and create awareness to keep the environment and surroundings clean

The Context

The objective of “Cleanliness Drive” is to make our campus clean by focusing on following points:-

- To rising up the level of the student thinking regarding cleanness drive.
- To ensure the sincerity of the students regarding the values of pollution free environment.
- To inculcate the programme of plantation can change the heart & hobbies of students
- To ensure the student to know more and more about the hazard of non-biodegradable plastic materials.

The Practice

Students, staff and teachers are informed by the College authority on the notice board of the Shri.R.K.P.ACS College, Sankh about the time and date of cleanliness drive programme. They have also informed that the programme will be monitored by PO of Shri.R.K.P.ACS College. Students, staff, teachers all are actively participated in the programme.

Evidence of Success

Inspired by the programme NSS wings frequently arranged such programmme in college and nearby places and students are now quite aware to make their surrounding clean.

Problems Encountered and Resources Required

Some students were reluctant to take part in the programme college authority convinced them and ultimately they agreed to participate in the programme.
